## Experience

Sofía Anza, counsel, works mainly in the Corporate and Banking Department since 2009.

Her practice includes advising financial institutions in the area of banking transactions in general and those related to capital markets, mergers and acquisitions and those related to commercial and corporate law..

Sofía is further specialized in data privacy issues. Her practice in this area includes, among others, rendering advice to local and international entities in issues related to the treatment of personal data, international transfers, technology and advertising.

Sofía has been a speaker at several conferences related to personal data privacy topics, and has delivered several trainings to large entities that have a special focus on handling large volumes of data.

Sofía is also a member of the Latin American Privacy Association and Lex Mundi's personal data privacy work group. She also is a collaborator in several publications in this subject matter.

## **Work highlights**
