Experience

Diego Baldomir, lawyer, mainly works in the Corporate and Banking Department. He holds a Master's Degree in Corporate Law from Universidad de Montevideo (1997).

His practice includes financing in the public and private sectors, public and private offers of securities, banking transactions in general and foreign trade transactions, corporate mergers and acquisitions, project finance, investment structuring, start-ups, data privacy and anti-money laundering and terrorism financing, having participated as speaker in several seminars and conferences regarding corporate reorganization as well as anti-money laundering terrorism financing.

Recognized among prestigious international legal publications such as "Chambers & Partners", "Latin Lawyer", "Who's Who Legal" for his outstanding performance in Banking & Finance matters.

Work highlights

Among others, he has advised Royal & Sun Alliance in the sale of its subsidiary in Uruguay to Sudamericana S.A. and continues to advise the local company in the area of insurance after closing. He has advised Jacinta Solar Farm, Uruguayan company part of Fotowatio Renewables Venture Group to obtain financing for its photovoltaic station 50.0 MW in Salto, Uruguay for USD 71 million and an additional USD 24 million, being the first public private partnership implemented with Power Plant and Transmission Authority.

Professional experience abroad

Marval, O' Farrell & Mairal – Buenos Aires, Argentina (1993-1994)

Participated in the "Academy of American and International Law" organized by "The Center for American and International Law", Dallas, Texas (1996)

Shearman & Sterling, New York – U.S.A. (1998-1999)

Publications

He has made several publications in international journals or books in conjunction with other colleagues on subjects of his specialty.

Conferences

He regularly gives lectures in different countries. Recently, he has given lectures on the anti-money laundering and terrorism financing in Punta del Este for local real estate companies, construction companies and developers in general in Montevideo, and for real estate companies at a Conference organized by the Local Government of Montevideo.
