Experience

Renato Guerrieri, lawyer, mainly concentrates his activities in the Antitrust/Competition and Litigation Departments.

His practice is focused on advising companies in relation to Antitrust/Competition: claims, investigations and litigation in relation to anticompetitive practices, collusion, abuse of dominance and unfair competition; pre-merger control; draft and review of contracts, commercial policies, protocols and guidelines of antitrust good practices; antitrust due diligence and audits; mock down raids; antitrust compliance; and training to clients. He has advised the Antitrust Authority in projects of legislation review.

He has also assisted clients in relation to unfair competition, infrastructure projects including PPP contracts, expropriations, easements, and litigation proceedings before the Administrative Litigation Court, as well as other aspects of administrative, trade and communications law.

Member of Guyer & Regules' Diversity & Inclusion Committee, participating in D&I-related projects and initiatives (with focus on LGBTQI+ rights), including the coordination of the Blind Acting Project, and pro bono work.

Guyer&Regules

Winner of the International Bar Association's European Regional Forum Scholarship (2023); Shortlisted in the Chambers & Partners Latin America Awards Future Leader DE&I Award (2024); and Top 10 of Outstanding Role Models Future Leaders of Involve & YouTube (2025). He has been part of Guyer & Regules' teams that won the Latin Lawyer's "Deal of the Year" Awards in 2021 (Werthein), 2022 (Lumen), and 2023 (Hapag Lloyd); GCR's Merger Control Matter of the Year in 2025 (Bunge-Viterra); and DERES recognitions in 2023, 2024 and 2025.

He has participated as attendee and speaker in several international conferences (IBA, ABA, IBRAC, ForoCompetencia, etc.), and he is author to multiple local and international publications in relation to Antitrust/Competition Law, including being Co-Editor to the Uruguayan Antitrust/Competition Yearbook. He has been professor in charge of Antitrust/Competition Law in Universidad Católica del Uruguay and Universidad de Montevideo.

Current Latin American Regional Forum Liaison Officer at International Bar Association's LGBTQI+ Law Committee, and member of International Bar Association's Antitrust Section and Latin American Regional Forum.

Master in Law from Universidad de Montevideo; Competition Law and Policy Programme from London School of Economics (2016); Diploma in Political Economy from CED/Konrad-Adenauer (2021); and Structural Issues in Law Firm Management Programme from Fordham University and Mattos Filho (2025).

Work highlights

- Philip Morris International: Advise in relation to an administrative claim filed by Monte Paz S.A. regarding an alleged predatory pricing scheme, which became a leading case of the Administrative Litigation Court, by admitting the annulment complaint filed by Abal Hermanos (PMI), annulling the decision by the Antitrust Authority sanctioning the company, and dismissing the existence of anticompetitive practices.
- Roche: Advice in relation to: (i) a high-profile civil lawsuit filed by Marbury claiming millions of dollars in damages allegedly produced by an exclusionary abuse from the medicines market, which became a leading case of the Supreme Court of Justice, by admitting the claim only partially and granting minimal damages; and (ii) an annulment by the Administrative Litigation Court to a millionaire penalty imposed by the Antitrust Authority for alleged abuse of dominance, in relation to a bundled agreement for high-cost medications.
- Moody's: Advice in relation to 40 civil lawsuit filed by Banco de Montevideo's former clients, with dismissal of claims in relation to Moody's in all cases.
- OCA/Grupo Itaú, in relation to their operations in the context of POS 2000 and the termination of that agreement.
- All key pre-merger control proceedings in Uruguay as of today, across all industries, the negotiation of behavioral and structural remedies, and the first revocation and authorization of a previously blocked transaction.
