## Experience

Giulianna Berrini, lawyer graduated from the University of the Republic (2023), develops her activities mainly in the Litigation Department, specializing in Civil Law and Corporate Criminal Law matters.

Her practice includes legal advice to national and international clients in such matters, highlighting her participation in cases before the Uruguayan Courts.

## Academic Experience

She participated in the "X Hispanic-Uruguayan Conference about Penal System" at the University of Salamanca (2022).

She was granted a scholarship in the "Study Abroad" Program of the Universitat Autònoma de Barcelona, participating in the Seminar "Reflection, dangers and challenges for Law, international and Labor Relations after the Pandemic" and in the University of Alicante in "The future of work: competences to succeed in the new context" (2024).

She is currently pursuing a "Diploma in Equality and Empowerment of Women" at the University of Salamanca.

## Languages

Spanish, English.
