Experience

Eliana is a certified public accountant, with more than 15 years of experience in matters related to tax, accounting and corporate advisory services. Her main duties include rendering advise on tax settlement, assets and social contribution settlement, as well as drafting financial statements, financial estimates and budgets.

Her expertise includes, without limitation, the following lines of business:

- Maritime companies
- Logistic services companies
- Agricultural companies
- Formal education
- Software
- Construction and Infrastructure

She is a graduate of the Specialization Diploma on Taxes delivered by ORT University, is a member of the Uruguayan Accountants, Economists and Administrators Association and of the Uruguayan Tax Studies Institute.

She is currently entrusted with advising the firm's Board of Directors with regards to her areas of expertise, for the purposes of ensuring compliance of any and all tax and legal provisions governing the business. Moreover, she advises the Board and the Partners on budgetary and management issues, with focus on internal planning, organization and control.

Her main duties involve leading and enhancing the development of personal relations within the firm, issuing useful information for decision-making and drafting the strategic plan, therefore contributing to the organization's innovation and improvement process.
