

## WHO'S WHO LEGAL 2011

## WORLD'S LEADING PRIVATE PRACTICE LAWYERS

### GUYER & REGULES

Since 1996 Who's Who Legal has identified the foremost legal practitioners in multiple areas of business law. In total, this site features over 10,000 of the world's leading private practice lawyers in over 100 countries.

Nominees have been selected based upon comprehensive, independent survey work with both general counsel and private practice lawyers worldwide. Only specialists who have met independent international research criteria are listed.
